

# Every Day a Busy Day at Newberry's Greatest Store.

Shelf loads of merchandise melted away the past week. The people came in crowds. The moment they began pricing stuff that moment they started buying. The Mim-

naugh low prices have spread like wildfire, relatives have told relatives and friends told friends that standard merchandise of every

description is going at Mimnaugh's for almost a song. Every train that tumbles down the moun-

tains and rolls through the valleys is loaded with fall and winter goods for Mimnaugh. Dimes and dollars do double duty when the "Cut Price" rule runs the business.

### A REPUTATION.

How It Was Made and Retained in Newberry.

A good reputation is not easily earned and it was only by hard consistent work among our citizens that Doan's Kidney Pills won their way to the proud distinction attained in this locality. The public endorsement of scores of Newberry residents has rendered invaluable service to the community. Read what this citizen says:

"M. W. Webb now retired residing on Herring street extended, says: 'Doan's Kidney Pills did me a great deal of good. I used them for my back and kidneys from which I suffered for a number of years, and of late it gradually grew worse. A dull pain right across my loins, never ceasing night or day was sometimes so bad after sitting for a while that I could not get up without sup, or at night could hardly turn over in bed. The kidney secretions were very much out of order, very dark and contained a brick dust sediment. My rest at night was much broken on account of having to get up several times during the night. In spite of the use of a number of remedies I could not find relief. Learning of Doan's Kidney Pills I procured a box at W. E. Pelham & Son's drug store and they removed the sediment from the secretions and regulated my kidneys so that I did not have to get up at night like I used to and my back was stronger and does not pain me as it formerly did. I can highly recommend Doan's Kidney Pills.'"

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, N. Y., sole agents for the U. S. Remember the name Doan and take no substitute.
